

Ahmed Hassan

Frontend React Developer | Junior Full Stack Developer

Cairo, Egypt | Remote or Hybrid | ahmed.hassan@example.com | +20 100 555 0199

Professional Summary

Motivated Frontend React Developer with hands-on experience building responsive and accessible web applications using React, TypeScript, JavaScript, HTML, CSS, Tailwind CSS, REST API integration, and Git. Comfortable collaborating with backend engineers and designers to deliver scalable user interfaces.

Core Skills

React, TypeScript, JavaScript, HTML, CSS, Tailwind CSS, REST API, Git, GitHub, Node.js, Express, MongoDB, UI/UX basics, Responsive Design, Accessibility, Problem Solving, Teamwork

Work Experience

Frontend Developer Intern - Inclusive Web Apps | Cairo, Egypt | 2024 - 2025

- Built responsive web pages using React, TypeScript, JavaScript, HTML, CSS, and Tailwind CSS.
- Integrated REST API endpoints with React components and handled loading, error, and empty states.
- Used Git and GitHub for version control and collaborated with a small development team.
- Improved accessibility with semantic HTML, clear labels, keyboard-friendly buttons, and readable UI layouts.

Junior Full Stack Project - Job Platform | Remote | 2024

- Created candidate and jobs pages using React and reusable UI components.
- Connected frontend forms to Node.js, Express, and MongoDB backend APIs.
- Worked with job data including title, location, work type, required skills, and applications.

Projects

Accessible Job Search Dashboard

- Developed a React dashboard for browsing jobs, viewing job cards, and applying online.
- Used TypeScript, Tailwind CSS, REST API calls, and Git for implementation.
- Focused on accessible office and flexible working hour requirements.

Education

Bachelor of Computer Science - Faculty of Computers and Information, Cairo, Egypt

Languages

Arabic: Native | English: Good professional working proficiency

Accessibility Preferences

Preferred work setup: Remote or Hybrid. Preferred accommodations: flexible working hours, accessible office, clear written instructions, and online communication tools.
